Dear Mrs. Lightfoot:

The Concentrated Animal Feeding Operation (CAFO) permit application for your farm was received on June 30, 2016. This letter is to inform you that your application has been reviewed and approved by TDA staff. Your application materials have now been forwarded to the Tennessee Department of Environment and Conservation (TDEC) for permit issuance.

PLEASE NOTE: This approval notice does not constitute a CAFO permit – it is merely meant to notify you that the application you submitted has been approved by TDA. TDA approval of your application is a necessary step towards receiving a CAFO permit, but ultimately TDEC is the agency responsible for issuing your CAFO permit, and they may ask for additional information or materials.

The official approval form, as sent from TDA to TDEC, is enclosed. If you have additional questions regarding permit requirements or how to fulfill them, please feel free to contact me at (615) 837-5489 or sarah.hovis@tn.gov.

Sincerely,
